MEMORANDUM FOR: Deputy Director for Administration

FROM: Executive Director

SUBJECT: Proposed Revision of

STAT

REFERENCE: Memorandum, Same Subject, dated 9 August 1982

1. I concur generally with the proposed revision of  There are, nevertheless, several changes which I would like to see incorporated in the final regulation. These revisions are:

STAT

- Paragraph 4a. Delete any reference to personnel who are excluded from the policies set forth in this regulation, except those involved in recruiting or EEO activities.

- Paragraph 4d(4). Add "Executive Director" prior to "DCI or DDCI."

- Paragraph 4d(5). Retain the language in Paragraph f, "Compensation," from the present

STAT

2. My philosophy in deleting senior officials from paragraph 4a is that the policies and procedures set forth in this regulation should apply to all Agency personnel. Certain exceptions can, of course, be made on a case-by-case basis. With regard to any form of remuneration for Agency employees who make public appearances, paragraph 4d(4), it has been the practice that our employees may not accept compensation from outside sources. The present regulation recognizes that an employee's participation in selected outside activities is in the public interest; it provides for travel and per diem expenses at Government expense, and requires that an honorarium or other compensation be passed on to the Government. This is the appropriate policy for employees in sensitive intelligence positions.
